

Parent Notification of Qualified Staff

Parents in our school district have the right to request information about the professional qualifications of their child's teacher(s), including whether the teacher holds appropriate certification for the subject(s) and grades and the college degrees and major areas of study of the teacher. Parents also may request the qualifications of classroom paraprofessionals (teacher aides or assistants) who work with their child. If you wish to inquire about these qualifications, please contact your building Principal or the Superintendent's office.
